Re: Supplement to **Computer Network Technology Corporation** – Surrender of  
Operating Authority to Provide Telecommunications Services in Arizona and  
Cancel Tariffs

**T-04221A-07-0685**

Dear Mr. McNeil:

Computer Network Technology Corporation (“CNT”), through undersigned counsel, hereby responds to informal inquiries from Staff with respect to the above referenced filing made with the Arizona Corporation Commission (“Commission”), on December 12, 2007. In that filing, CNT advised the Commission of its intention to relinquish its operating authority in Arizona.

R14-2-1107 of the Arizona Administrative Code sets out the requirements for the discontinuance or abandonment of local exchange or interexchange services in Arizona. That Section provides, among other things, that the carrier discontinuing service must provide notice of the discontinuance to “affected customers.”

As stated in its original filing, CNT does not have any local exchange or interexchange customers in Arizona. Because it has no customers, CNT respectfully submits that there are no affected customers and therefore that no customer notice was required to comply with the requirements of R14-2-1107. Furthermore, CNT reconfirms that because CNT does not provide any intrastate regulated services in Arizona, CNT is not currently in receipt of any deposits or prepayments pertaining to intrastate services in Arizona.
